State

You can see your chapters results at the FBLA State website. If you sign in as if you are registering for State you can look at the results.

Nationals

If you have students advancing in *Skill Events*, you must confirm their participation by April 20 by faxing the confirmation form (pink) that was attached to your competitor's certificate (in the chapter packet). If your competitor is unable to attend, please contact Jen Wegner directly ASAP so the next qualifier can be notified. All national level testing will be done at the technical college closest to you and it is imperative that I have time to coordinate schedules with our test administrators and competitors.

Advisors Corner:

It was a pleasure being your Region V Advisor this past year. There are many people I met through this experience that I can now call my friends.

Hosting RLC is a lot of work, but work that is very rewarding. It was great to see all of you here at Fondy High enjoying this beautiful facility that I get to enjoy every day.

Congratulations to all the members that competed at SLC and best of luck to all of those that are going on to NLC.

Sincerely,
Sandi Linde
